OCCUPATIONAL SAFETY AND HEALTH CENTER

CITIZEN'S CHARTER

2020 (7th Edition)

I. Mandate:

The OSHC was established as the nationally recognized authority on safety and health research, training, information dissemination, and technical expertise. The OSHC pursues partnerships with the public and private sectors for the attainment of a healthy and safe working environment through responsive and sustainable OSH programs and policies. It also targets the effective delivery of quality services. The OSHC aims to increase productivity through fostering a better working environment, decrease in manpower and economic losses due to occupational accidents and diseases, and to improve the welfare of workers and their families.

II. Vision:

A healthy and well-protected working population in a caring and responsive work environment brought about by sound OSH policies and laws, research, training, information exchange, technical expertise and extensive networking.

III. Mission:

To develop effective, responsive, and sustainable OSH programs, policies and services; promote excellent management of resources and foster mutually beneficial linkages that will create a healthy and safe work environment for workers in all industries.

IV. Service Pledge:

- Undertake continuing studies and researches on occupational safety and health.
- Plan, develop and implement occupational safety and health training programs.
- Serve as clearing house for occupational safety and health information, methods, techniques, and approaches; and, institute an information dissemination mechanism.
- Monitor work environment and conduct medical examinations of workers.
- Serve as duly recognized agency for testing and setting standard specifications of Personal Protective Equipment and other safety devices.
- Assist other GO's in policy and standards formulation on occupational safety and health matters; issue technical guidelines for prevention of occupational disease and accidents.
- Enlist assistance of GO's and NGO's in achieving the objectives of the Center.
- Perform such other acts appropriate for attainment of the above functions and enforcement of the provisions of Executive Order 307.
